1140 Funding

Little Clouds Nursery can provide Government Funded hours through your Local Authority. The 1140-hour entitlement is provided over 50 weeks giving each child an entitlement of 22.8 hours per week. Little Clouds sessions are based on 5 hours per session, with a minimum of 4 sessions.

Little Clouds Nursery offers two different funding models, Model A and Model B.

Model A offers a funded place using 1000 hours (20 hours per week) of your Funded Placement Hours only, with the ability to use the remaining 140 hours through another care provider. If, however you require wrap around care, we can offer **Model B** which allows you to use the sessions you require on top of your free funded hours with the remainder 140 hours (2.8 hours per week) being deducted off your bill. Any other requirements are charged at Little Clouds Nursery's rates, and availability is subject to agreement with Little Clouds Management.
